

Annual Report ISTC CEG P&T Activities

C.H.M. Broeders, W. Gudowski

Annual Report ISTC CEG P&T Activities I

- Preparation of **two** versions of Minutes of CEG 2006 meeting; reporting **sequence of presentations and discussions** and **topical summary**
- In 2006 strong focusing on support for realization of **ISTC #2267 SAD**; after initial promising funding models by Russian parties, EC IP EUROTRANS and ISTC, the increase of estimated costs from $\approx 6\text{M€}$ to $\approx 15\text{M€}$ lead to **failing** of funding model
- Considerable efforts to support prolongation / follow-up of **ISTC #B070 YALINA**; finally full integration in EC IP EUROTRANS, but still **administrative problems** with payment modalities. Follow-up project in discussion.
- **Enhancement of Partition** aspects by discussions at dedicated meetings

Annual Report ISTC CEG P&T Activities II

- **No SAD/YALINA Steering Committee** meetings, but intensive **phone and e-mail communication, as well as small circle discussions at meetings**, to support the SAD and the YALINA projects
- **Move of CEG Chairman** to ISTC Management in Nov. 2006; appointment of Secretary to Interim Chairman
- Relatively short term preparation of Annual Meeting 2007 **with excellent support of EC Department DG RTD-J-2 Fission**
- Some problems with preparation due to **restricted access** to ISTC project data base
